**(1) Box your parts carefully so that there is no metal-to-metal contact.** Please pack your parts carefully in a suitable container or box with ample protective cushioning.

**(2) Fill out a JJA Work Request. Place it in the box.** Keep a copy for your records. Include Purchase Order, inventory list and specific work instructions.

**(3) Secure the box and take to your local USPS, UPS or FedEx mail center.** All shipping carriers use:

**John Jewell Aircraft, Inc.  
171 A. Q. Greer Dr.  
Holly Springs, MS 38635**
